

TOGETHER AHEAD

DRIVEN BY THE COMMITMENT TO EXCEL

Greatness is the result of commitment to values practiced uninterrupted for years on end. And for Koyenco group this maxim has been with them for the last 40 years. Born as a small enterprise Koyenco group now stands tall in the vanguard of Kerala's industrial profile.

TOGETHER AHEAD

“ Since we began trading over 40 years, a great many things have changed. But one thing has always remained the same. It is our objective to provide you with the very best products and services that are value for money.”

About us

One of the leading industrial powers of Kerala, with vast interests in myriad business verticals, Koyenco Group is the creation of Mr. P.P Koya, a doyen of the enterprising face of Kerala and a visionary businessman who dreamed only to achieve them. Over the past 50 years, Koyenco group has grown to become a towering corporation with subsidiary companies producing goods and services of quality and affordability.

Headquartered in Calicut, Kerala, Koyenco Group comprises of multiple and diverse ventures that include iron and steel, solvent extraction, exports, petroleum imports, real estate, cattle feed manufacturing and automobile retailing and servicing. Now the company is all set to launch a consumer product wing aimed at providing fabric care, personal care and home care products that excel in quality and affordability.

KOYENCO EXPELLERS Pvt.Ltd.

Began as a trading concern at Big Bazaar in Calicut, the group realized the business potential of coconut and its value added products. Since quality coconut oil is a sought after commodity in markets in India and abroad, the group set up an expeller plant to extract high quality oil from copra. Branded as Favorit, this premier venture proved to be a success, giving sinew and energy to the group to expand its purview of operations. Supported by an ordered FMCG dealer network, Favorit became the choice cooking medium for consumers. Later, the group launched two more cooking oil brands, 'Koyenco Gold' RBD Palmolein and 'Koyenco Plus' Gingelly Oil, both of which are now exported to the GCC.

KOYENCO SOLVENT EXTRACTORS Pvt. Ltd.

The copra cakes that remain after the extraction of edible coconut oil still have significant oil content in them. Koyenco group foresaw the prospect of extracting this oil by means of solvent extraction and established the first solvent extraction plant in Malabar. The concern produces quality solvent extracted oil which is a valuable raw material for soap industry. The group is now a recognized enterprise winning awards for being the largest processor of copra cake in India. The de-oiled premium copra cake produced by the firm is marketed as Nandini, a nutrient rich livestock feed that has become the preferred cattle feed brand in the state.

KOYENCO MOBIKES

Authorized dealer of world's largest two wheeler manufacturer – Hero Motor Corp, Koyenco Mobikes is a renowned concern driven by the core ideals of customer satisfaction and excellent service. With its outstanding service records, Koyenco Mobikes has raised the bench mark of quality service of two wheeler dealerships in Kerala. The professionalism, skill and attitude of personnel combined with advanced service machinery and systemic administrative infrastructure help the enterprise make timely completion of customer requirements. Koyenco Mobikes is guided by the same principles and operational ethics laid down by the group for all its subsidiaries and as such, it has earned the credibility and affection of thousands of satisfied customers and won the award “Best show room in India” in the year 1999.

KOYENCO FEEDS Pvt. Ltd.

The organization's quest for the optimal utilization of de-oiled copra resulted in the establishment of Koyenco Feeds Pvt. Ltd. that produces high quality livestock feed. The concern's primary produce, Sunandini is an ISI certified and popular cattle feed brand marketed in India and now exported overseas. Giving due emphasis on quality, nutrient balance and affordability, Sunandini has been catering to the varied needs of cattle farmers of Kerala for decades fostered by the trust bestowed upon it by millions of customers. In collaboration with Guyomarch, France, Koyenco Feeds Pvt. Ltd. is the first to introduce Bypass Protein cattle feed and high nutrient goat feed in the state.

KOYENCO HOSPITALITY

Hospitality sector of the state is booming at an unprecedented rate and the Koyenco Group of companies is intent on entering this promising business vertical. Plans are being drawn to launch resorts, restaurant chains and business class hotels in various locations of the state. Decades of enterprising capacity the organization has amassed so far, will be optimized to make the projects as successful and ambitious as its other subsidiaries. Businesses under Koyenco Hospitality will be providing world class comfort and service to guests national and international.

KOYENCO TEA PLANTATION

One of the largest and fastest growing tea plantations in the state, the Koyenco tea plantations is located in the Nilgiris. The plantation uses only organic manures for the cultivation of tea. From picking the tender leaves to packaging the finished product, Koyenco plantations go that extra mile in ensuring that the tea leaves retain their natural taste, color, and aroma. The in-house factory is equipped with sophisticated machinery to process the tea leaves in highly hygienic conditions. Each stage of the production is thoroughly supervised and checked for quality precautions. With popularity on the rise, the tea products of the Koyenco plantations are now exported overseas.

KOYENCO FOUNDATION

Growth and responsibility has always been among the core ideals of Koyenco group. It is this commitment to contribute to the social wellbeing of the poor and destitute that prompted the group to establish the Koyenco Foundation. Founded on 1st January 1994 by the chairman of the group, Koyenco Foundation is a charitable organization that assists and empowers the local communities. The group has made it their responsibility to ensure that the society should benefit from the growth and success of the company. Through Koyenco Foundation, the group provides financial assistance to poor families, sponsors education of struggling children and orphans and facilitates various services directed towards the economic uplifting of the poor and needy.

KOYENCO PLATINO CLASSIC MOTORS Pvt.Ltd

The sole dealer of BMW cars in the state, Platino Classic is the automobile subsidiary of the Koyenco Group. The company consists of two state – of - the - art showrooms located in Calicut and Cochin. Incorporated in 2007, Platino Classic opened its first showroom in Cochin in the same year and opened its second showroom in 2011 in Calicut. A third showroom has been planned at the state capital. With efficient and customer friendly operations, Platino Classic caters to the luxury car requirements of Kerala with the same commitment and loyalty consistent with the group's core ideals.

KOYENCO Consumer Products Pvt. Ltd.

With over 50 years of enterprising expertise with numerous subsidiaries, each a self-sustaining entity upholding the core ideas and commitments of the organization, Koyenco Group has now decided to widen its operations into consumer product market.

Energized by consecutive success in different business verticals, Koyenco Group has now launched a new venture, Koyenco Consumer Products Pvt. Ltd. The venture's core objective is to provide quality fabric care, personal care and home care products to consumers of all walks of life. The company draws its operational order and ethics practiced and perfected by Koyenco Group and its subsidiaries. As uncompromising as it is on the quality of the products, the venture is also insistent on manufacturing products that are within the reach of common man.

TOGETHER AHEAD

TOGETHER AHEAD

The result of years of detailed research, the fabric care, personal care and home care products from the house of Koyenco are made of organics substances. Factors like superior quality, safety on skin, fabric protection and color retention top the list of priorities that base the manufacturing of these products. Safe and affordable, the product range caters to the needs of customers of all walks of life.

with
